

Gods plans brings His favour

(This revelation comes from a personal dream, personal dream but public revelation...)

We can't lay out plans on our own till number 99 and then ask God to take over and do it for His plan might not look like ours at all even if the results are the same.

His way to the promised land =10 days, man's plan = 40 years, but if we allow Him to plan too we reach our destination much sooner and with victory and not long way round begging people to let us pass through their " land" as the Israelites had to...

Scripture: Many plans are in a man's mind, but it is the Lord's purpose for him that will stand. (Proverbs 19:21 AMP)
