

Newsletter – June 2017

Dear friends

With the winter on our doorsteps in South Africa it reminds me of the seasons we as Christians go through, and I want to encourage you to not give up in the “winter” seasons, for spring is on its way.

MINISTRY

- In the [Pray615 initiative](#) we prayed day 710 today, and we know the Lord has a plan for the nations, even when we don't see it fully yet. We are a global group of intercessors covering the globe in prayer together five days a week, but we welcome any [new participants](#) gladly. We believe that the Lord is teaching us all more and more of His heart for the nations as we go along.
- The *home fellowship* (house church family) is doing well and we are trusting the Lord to continually shape us all by His Word and our fellowship. We see the Lord speaking much more through prophetic dreams again in 2017, and we know it's part of the revelation expectation the Lord spoke of for this year, expecting Him to speak about the things on His heart.
- The *soaking sessions* we host are challenging us all to just be and let God be God in us, we are hosting the next one Friday 2 June at our home in Centurion South Africa.
- The *prophetic ministry* (poj.org) has been running for 12 years and we share new dreams, vision and revelations as the Lord leads.
- The prayer for the *Jewish nation* is prayed every Monday, and we know the Lord is busy with something, we will not relent until the Lord gives us rest of it, if you wish

to commit to pray this with us every Monday morning via e-mail please [mail me](#) and I will send you the crafted prayer.

- The prayer for *South Africa* is prayed every Friday, we will pray this prayer until we see it come to pass in fullness in our nation, or the Lord indicates that the season for it is over. We will not bow our knee to demonic “bullying”, we will not pray reactively, we will keep praying the Lord’s heart for the nation’s future. If you wish to commit to pray this with us every Friday morning via e-mail please [mail me](#) and I will send you the crafted prayer.

Ilonka here,

I’ve been thinking about how we live our lives and my conclusion is that once you become a Christian, you will basically have one of two mindsets:

You can either follow your own dreams and ideas (noble and good ideas) and ask God to bless them – or

You can surrender your plans and ask God to lead you in His plans – your obedience then becomes a blessing.

This seems very simple but I believe that it is the basis for all our decisions. Think about it for a moment, how set are you on your ideas for your future? If God should ask you to take a detour and trust Him in it – will you do it? Remember, you already have salvation once you've accepted Jesus as your Lord - this will not change your Heavenly destination, but it will change how you live here and now...

So many people are frustrated in this very fast, comfort-driven age. We have to hold on to the reins of our lives so tightly for fear that if we let go, everything will fall to pieces. And yet, it is only in letting go and trusting God, that we can have true security and peace.

Still, regardless of knowing this, our greatest battle within ourselves remains: surrendering all to God.

Perfect LOVE drives out ALL fear ... there is no exclusion clause to this verse ... what are you still fearful of.

May your spirit receive this truth and let it flow through into your thoughts, emotions and body until it overflows into your physical atmosphere, bringing freedom and life.

We also want to encourage you to please send any prayer requests to info@pojic.org that we might stand in agreement with you for God's hand of healing, provision, protection, direction, change, and restoration.

We praise God for His love and faithfulness.

God loves you!

Do not look down on anything you do for God, it may seem insignificant, but believe me God can do mighty things with the most humble and honest prayers and lives. (Zechariah 4:10)

May you have clear revelation about the Lord's heart concerning things.
