

Newsletter – September 2017

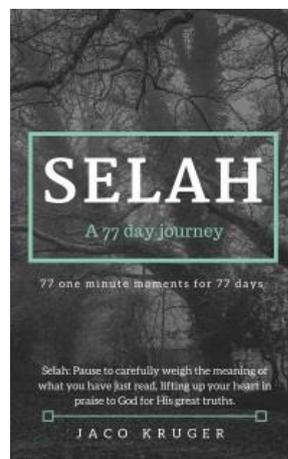

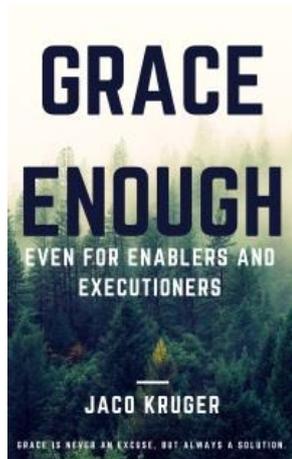

Dear friends

Just like a light switch being flicked on immediately, so the seasons have changed in South Africa from Winter to Spring, and so God can do in your life to, instantaneously. All things are possible, just don't give up believing.

MINISTRY

- In the [Pray615 initiative](#) we ended August with prayer day 773. We see everything going on in the weather, and the nations, and we know the world needs God – and prayer – now more than ever. We are a global group of intercessors covering the globe in prayer together five days a week, but we welcome any [new participants](#) gladly. We believe that the Lord is breaking open to us all His heart and character, may we come in-line with it, with the Holy Spirit's help. For those who pray with us, please remember that we will be in Israel from 25 September until 13 October, so there will be no daily prayer e-mail during that period.
- The *home fellowship* (house church family) is doing well and we are trusting the Lord to continually shape us all by His Word and our fellowship. Although we will be away for half of October, we know it will continue, and the Lord will continue to speak.
- The *soaking sessions* we host at our home are challenging us all to just be and let God be God in us. There will be no session in October, but the next one will be Friday 3 November.
- The *prophetic ministry* ([pojic.org](#)) has been running for 12 years and we share new dreams, vision and revelations as the Lord leads.

- The prayer for the *Jewish nation* is prayed every Monday, and we know the Lord is busy with something, we will not relent until the Lord gives us rest of it, if you wish to commit to pray this with us every Monday morning via e-mail please [mail me](#) and I will send you the crafted prayer. **Please keep us in your prayer that the Lord will – while we are in Israel – break open what He wants to in and through us.**
- The prayer for *South Africa* is prayed every Friday, we will pray this prayer until we see it come to pass in fullness in our nation, or the Lord indicates that the season for it is over. We will not bow our knee to demonic “bullying”, we will not pray reactively, we will keep praying the Lord’s heart for the nation’s future. If you wish to commit to pray this with us every Friday morning via e-mail please [mail me](#) and I will send you the crafted prayer.

Philippians 4:4-5 Celebrate God all day, every day. I mean, revel in him! Make it as clear as you can to all you meet that you’re on their side, working with them and not against them. Help them see that the Master is about to arrive. He could show up any minute!

I have just been thinking about this lately, will we wait until others are perfect before we love them, or will we “work together” – no matter our differences – to glorify God in this

earth, and proclaim His glory to powers and principalities, that all the earth might know that we are children of the Most-High God.

As we said earlier in the letter, we will be in Israel from 25 September until 13 October. We are not going with a group, just Ilonka and I, and we go not only for a holiday, but to encounter the Lord and experience His fulfilment of promises He made regarding Israel a long time ago. We are very excited and ask that you pray for not only our traveling mercies, but a deeper encounter of God than ever before, and the protection of our home, cats and loved ones staying behind.

We will also be taking the prayer you pray with us for Israel every day and declaring it while standing in Jerusalem, speaking it while in the heart of the nation. Only the Lord knows the fullness of what He is about to do, but we know it will be amazing.

We pray that the Lord will break open for you, opportunities to encounter Him in new ways like never before, and that you will see His miracles over your life every day.

As most of you will know, we do not solicit any money through our ministry, so our Israel trip is truly God's help over our lives, and in the same way God can make a path for you, and teach you His principles and ways.

We also want to encourage you to please send any prayer requests to info@poj.org that we might stand in agreement with you for God's hand of healing, provision, protection, direction, change, and restoration.

We praise God for His love and faithfulness.

God loves you!

Do not look down on anything you do for God, it may seem insignificant, but believe me God can do mighty things with the most humble and honest prayers and lives. (Zechariah 4:10)

May you have clear revelation about the Lord's heart concerning things.
