

Oh that I might know You Lord

Oh that I might know You Lord
Oh that You may touch me as I know only You can
Oh that I might be with You Lord
Oh that Thy Spirit and mine be as one

That Your Breath will be my revelation
Your Tears my purification
Your Body my sanctification
Your Blood my Holiness saturation
Your Heart my clarification
Your Eyes my appreciation
Your Smile my justification
Your Touch my restoration

Oh that I might know You Lord
Your Jacobs ladder to climb
To reach up to the Heavens
And touch the Throne of Grace
Never to be the same again
From seeing Thy Glorious Face

Cover me with Your Blood my Lord
Wash away my sin
That I might come close to You
And this love story begin.

Oh that I might know You Lord
Is the cry of my heart
Oh that we might know You as friend
Was Your plan from the start.
