

## Vision – The Lion and the Lamb is the River of Life.

As I was standing in church worshipping I saw a River coming towards me, flowing directly to me and directly into me.

On the left hand side of the River stood the Lamb and on the right hand side of the River stood the Lion.

Suddenly they moved towards each other and met in the middle of the River, becoming one and then becoming part of the River. As the River hit me then I was almost overwhelmed by the flow of Anointing directly over me.

Only when we get a full revelation of the fact that the Lamb and the Lion is One and inseparable will we start living in the fullness of the River of God flowing towards our lives.

I am reminded of this verse as I think of the vision:

The angel showed me a river that was crystal clear, and its waters gave life. The river came from the throne where God and the Lamb were seated. Revelation 22:1
