

## The Revivalist Anointing (Vision 2/2 on 26 September 2011)

(Vision 1/2 is called "The Lord's Protection", I am recording it separate for a reason so feel free to download and read it as well...)

After vision 1 I saw the battle field, the Lord made me zoom in on one specific warrior on the field, he was clothed in full armour, very shiny and strong armour, on the top of his helmet was long purple "hair" in a thick "ponytail" like grouping. (purple = royalty, kingship, majesty, sonship, priesthood)

He stood on the back of a giant eagle, he held onto reigns that was around the eagles neck. As he went into the battle the eagle opened his mouth and Fire came out of his mouth going down to the ground consuming all his enemies in front of him.

As I was watching this the Lord said to me "Behold the revivalist anointing".

I realised I had to "zoom out" a bit and look more at the field, as I did this I realised there are hundreds of these revivalist warriors going out into battle being led by this warrior into battle.
