Vision – The Bride healing angels

During a worship conference tonight I saw ministering angels with buckets.

They scooped water out of healing pools and poured it into the River of the Lord as it flowed past. The Lord showed they bring healing to His battered and bruised children so that the Bride of Christ can be whole and be who He has always dreamed her to be.

If you feel battered and bruised, hurt by life, hurt by others and disappointments, ask God that those healing angels will come minister to you today and bring deep healing, that you might once more be who He dreamed you would be.

Believe and trust for healing and accept it. It is not about what you see and hear (or don't), but about faith and a willingness to be whole.

I pray that each of you that accept and pray for this will experience these healing angels ministering to you bringing deep healing and lasting change.

Love in Christ
