

## Why we should guard our hearts above all things

There's a reason God says to guard our hearts above all things.

This world is far from perfect, but if we allow faith to walk out the back door, within a very short while cynicism and bitterness will walk in the front door. And those two will slowly but surely poison you until there is nothing of the spirit man left and humanism becomes your task master and jail guard.

*(Humanism: the doctrine emphasizing a person's capacity for self-realization through reason; rejects religion and the supernatural)*

Lord we need to ALL guard our hearts.....

Love in Christ
