

First thirst for Me

People thirst for many things in life but the only true thirst is the thirst for eternal life and eternal happiness. (see John 4:14-15) all other things are temporary and do not fulfill as My Spirit and promise and reward can.

Seek first this living waters and all other things fall into perspective, when you see things through the eyes of the Spirit, enlightened by the Holy Spirit everything is as it truly is and true perspective and respective value comes out.

What looks like a big thing in the flesh you realize in the Spirit is actually very insignificant. That is why humans look through the eyes of the Spirit for perspective and guidance. When something comes along first ask, why? How? What? And then react.

Wait for My Spirit guidance then your steps will never falter. Walking in the Light = walking in revelation power = walking in victory !!
