

There is a time of forgiveness

There is a time of forgiveness
A time is coming
A washing, with the Blood of the Lamb
With the Blood of the Lamb
My Church I will wash says He
My Church I will wash says He
With My Blood says the Lamb
With My Blood says the Lamb
A new direction for My children
A new vision for the lost
No more games will be played
No more fake spirituality
Just the Blood of the Lamb
Just the Blood of the Lamb
Just the Blood of the Lamb

Prepare My Church
Tell them change is coming
It is time says He
It is time for a change
For the lost to see
That My Blood sets them free
You have ignored My cause
To your own remorse
You have ignored My course
But I will set you free
From your "spirituality"
Just the truth to see
When you look at Me
Just My Blood says the Lamb
Just My Blood says the Lamb
That is all you need..

Ps: While sitting at work the Lord gave me this word in the form of a prophetic song. I typed it as I heard and sang it.
