

## Casting down every high thought and vain imagination

As I was soaking tonight, the Lord said to me:

Casting down every high thought and vain imagination that exalts itself above the knowledge of Him includes casting down thoughts of disease or curse or lack and even of us being unholy or unworthy as they all go against the knowledge of Him and deny the complete work He has done.

So let us cast down all those thoughts too and embrace the mind of Christ about all, all things.

Love in Christ
