

## Fellowship without love is foul (Word for 2015)

My children, you offend the Holy Spirit when you play games, hide behind masks and compete to see whose soap box is the biggest.

Fellowship is meant to encourage, strengthen, build up, restore and empower the Body, and the individual believer.

True fellowship always has a base of, and flows from genuine love.

I have told you before, and I tell you again. Get back to basics.

*([Get back to basics](#) the Lord refers to above is actually the first prophetic word I shared on this website, shared 25/11/2005)*

Love in Christ
