

## Word for 2016 – See bigger, go deeper

We need to see the bigger picture in order to go deeper into God's purpose for our lives.

We must see more of Christ revealed, see Him as bigger, then we will be pulled deeper into His love, into a deeper understanding of His love.

But we must also – through the power of the Holy Spirit – see the bigger picture of what God is doing in the Kingdom, in the nations, in our nation, in our city, in our area, in our family and friendship circles, in our marriages, in our children, and in us. For if we start seeing the bigger picture – and our role in it – we will be able to go deeper into God's will by submitting more freely and confidently to His supremacy.

And once we see more of the bigger picture, we can be part of revealing Christ more to others that they might also see bigger and go deeper.

Love in Christ
